

FOR IMMEDIATE RELEASE

COEXPAN & EMSUR will be showcasing packaging innovations and a combined products portfolio at FachPack exhibition in Nuremberg

- *Specialized in rigid and flexible solutions, COEXPAN & EMSUR will jointly exhibit their comprehensive packaging portfolio for the Food, Beverages, Home & Personal Care industries.*
- *New combined solutions with biodegradable materials, lightweight packaging and convenience formats among the most outstanding products that will be shown at FachPack.*
- *Both plastic divisions combine its expertise to create complex solutions in response to current packaging market trends.*

Madrid (Spain); July 5th, 2018. - COEXPAN & EMSUR will show their Rigid & Flexible Packaging Solutions at FachPack 2018, one of the most important trade fairs for packaging, processing and technology in Europe, that will take place in Nuremberg from 25th to 27th of September.

The two main packaging divisions of Grupo Lantero join in this important event offering their **extensive range of solutions** for the main consumers goods industries, focused on the Fresh Food, Processed Food, Dairy, Coffee & Tea, Beverages and Home & Personal Care markets.

Through a wide technical knowledge, both companies combine their long expertise to create innovative solutions in response to the most demanding packaging industry trends. COEXPAN & EMSUR will showcase a wide range of innovations focusing on key market drivers such as **sustainable, convenience and differentiation**. An example of suitable packaging solutions are **biodegradable structures and lightweight packaging**, which is cost saving and involves the environmentally friendly packaging concept. Furthermore, visitors will have chance to take a closer look to other

innovations such as **convenient re-closable packaging, smart solutions using QR coding and full PET solution** dedicated to dairy market.

A wide range of high-quality and efficient packaging solutions

COEXPAN & EMSUR product portfolio includes **Rigid Solutions**: FFS Plastic Sheets, Roll Stocks and Thermoformed products such as Fresh Food & Ready Meals trays, Cups & Pots for Coffee, Clamshells for Fresh Fruits, among others; and **Flexible Solutions** as FFS Lidding & in-mould labelling, Laminated films, gravure & HD flexo printing, Shrink Sleeves, Rollstock films for FFS Products, Bags and Pre-made pouches for FS applications.

Previously, COEXPAN & EMSUR successfully participated together in other renowned international exhibitions like Interpack and Pack Expo Las Vegas. In the coming months, they will be showcasing their novelties for the American Market at **Pack Expo 2018**, which is taking place in Chicago next October and where they expect to achieve a great success.

FachPack 2018 will be a great opportunity to find out the latest trends and developments in the packaging industry. COEXPAN & EMSUR look forward to meeting you in **Hall 7, Booth 7-541** at FachPack trade show and present you the latest innovations for rigid and flexible packaging.

Check their **exhibitor profile** at FachPack Nuremberg [here](#).
